This cabinet meets the EN 14470-1 standard and in addition to an automatic extinguishing system it also has automatic doors. In the event of a fire, the automatic doors close so that the fire ...

As a professional energy storage fire protection system manufacturer, we can specially customize lithium-ion battery fire extinguishers for your lithium battery cases and lithium battery cabinets.

The FDA241 unit offers proven reliability in early detection of lithium-ion battery Off-Gas particles during the "pre-thermal runaway" period of battery failure.

Utilizing total flooding technology, FirePro systems quickly cool and smother fires, reducing the possibility re-ignition and thermal runaway propagation. Tested and proven, they ensure rapid, ...
