We checked their capacities, tested their connections, and their power output to find the best of the best. We also took into account special features that add meaningful value, ...

We've been using the Nestout 15000mAh Outdoor Battery (\$60) for over a year for work and play, and it has more than earned the top spot on this list.

Anker, Belkin and Mophie have all emerged as some of the most reliable power bank manufacturers, and now we're even starting to see Energizer enter the arena.

There are hundreds of portable battery packs, and picking one can be confusing. To help, we've spent years working our way through all of them.
