"We are pleased to announce this new storage project in Feluy, just a year after we began our Antwerp project, which should be ...

The batteries, 40 Intensium Max High Energy lithium-ion containers, will be supplied by Saft, the battery subsidiary of TotalEnergies, confirming its position as European ...

"We are pleased to announce this new storage project in Feluy, just a year after we began our Antwerp project, which should be operational by the end of the year.

These battery storage sites play a key role in the resilience of the electricity system, providing flexibility and helping solve grid congestion problems. They also encourage the ...
