Nairobi, Tuesday, July 29, 2025: The Kenya Electricity Generating Company PLC (KenGen), has commissioned a new Battery Energy Storage System (BESS) to supply uninterrupted ...

The Kenya Electricity Generating Company PLC (KenGen) has unveiled its first-ever Battery Energy Storage System (BESS) to power its modular data centre in Nairobi.

With the upcoming Eastern Africa Power Pool (EAPP) opening up regional energy trade and the 2024 Energy Regulations enabling market participation, Kenya has a further ...

The BESS project has been identified as a possible solution to increased proportion of intermittent energy to the Kenyan power system and energy curtailment during off peak hours.
