What does the customs authority do in Timor-Leste?

The Customs Authority helps the Government of Timor-Leste to control the movement of goods, vehicles, ships, and aircraft that enter and leave the country. As well as protecting our borders from the import or export of illegal or restricted goods, we also help to collect duties and taxes which is an important source of national revenue.

Do you need a customs declaration in Timor-Leste?

When you arrive as a traveler into Timor-Leste, you are legally required to complete a Customs Arrival Declaration form. A customs broker is a private sector professional, who is licensed by the Timor-Leste Customs Authority to act on behalf of an importer or exporter in the clearance of their shipments.

How do imports work in Timor-Leste?

Imports: When commercial goods enter Timor-Leste, they do so by air or by sea, or via a land border. When the goods arrive, they are initially considered to be in "temporary storage." After arrival, there is a legal requirement for the goods to be placed under a "customs treatment" within a specified time frame.

What is customs clearance in Timor-Leste?

The customs authority in Timor-Leste plays a crucial role in the clearance process. This organization is responsible for inspecting the goods and the accompanying documentation to ensure compliance with legal requirements. Upon submission of the necessary papers, customs officials will review them for any discrepancies.
