How do I get to Freetown MBTA station?

Freetown station in Assonet is served by the Fall River/New Bedford Line of the MBTA Commuter Rail system. Air transportation is provided locally by smaller aircraft in East Taunton, Berkley, and the regional airport in New Bedford.

How is Freetown governed?

Freetown is governed in the traditional New England style with a Board of Selectmen overseeing day-to-day operations of the town and at least one town meeting per year to handle all major decisions including, but not limited to, budgets, by-laws, and zoning.

When did Freetown become a city?

Freetown is one of the oldest communities in the United States, having been settled by the Pilgrims and their descendants in the latter half of the 17th century. The town once included the city of Fall River (1659-1803), and a portion of Acushnet (1659-1815). The town celebrated its tricentennial in 1983.

Is Freetown a Christian town?

Freetown has historically had Christian and Quaker denominations. Each side of town currently has its own Roman Catholic church, along with a United Church of Christ church in Assonet and a variety of Christian churches in East Freetown. For more information on churches in Assonet and East Freetown, see each village's independent article.

Station serving MBTA Commuter Rail lines at 153 South Main Street, Freetown, MA, 02702.
