Is LG Energy Solution a good brand?

Already known for making quality, dependable products and appliances, LG Energy Solution is a house hold name that you can trust. Unlike most home battery makers, LG Energy Solution is a global battery cell manufacturer, manufacturing the battery cells that go in the home battery.

Who is LG Energy Solution?

LG Energy Solution is a leading global manufacturer of lithium-ion batteries for electric vehicles, mobility, IT, and energy storage systems. With 30 years of experience in revolutionary battery technology and extensive research and development (R&D), the company is the top battery-related patent holder in the world with over 58,000 patents.

Who is HL-GA battery?

HL-GA Battery is committed to creating a more sustainable future powered by American workers. LG Energy Solution and Hyundai Motor Group have long been partners in the field of electrification. LG Energy Solution worked with Hyundai Motor Group to supply EV batteries for vehicles, including Elantra Hybrid, Kona Electric, and IONIQ 6 dedicated EV.

Who owns HL-GA Battery Company?

Hyundai Motor Group and LG Energy Solution committed an investment of more than \$4.3 billion to establish HL-GA Battery Company. Our battery cell manufacturing joint venture is strategically located outside beautiful Savannah, Georgia and is scheduled to start production early 2026.

The future of energy is now. For more information on providing the LGE Energy Storage System to your customers, CONTACT LG SOLAR TODAY.
