Low Capacity High-frequency Inverter 100W-1000W These high-frequency inverters are suitable for RV or boat users because they are lightweight, portable, and fit with ...

100W modified sine wave inverter with peak power 200W, two input voltages 12V/24V selectable, 60Hz and 50Hz selectable. Built-in protections ...

100W modified sine wave inverter with peak power 200W, two input voltages 12V/24V selectable, 60Hz and 50Hz selectable. Built-in protections against overload, overheating, and short ...

Output power: 100W. Output ripple: high frequency square wave. This board is a high-frequency square wave AC output, so the general inductive appliances can not take! ...
