When is Niue's New Power Station launching?

The Ministry of Infrastructure celebrated the so5 launch of Niue's New Power Station on the 7th November 2024. The launch marks a critical milestone in Niue's journey to strengthen and modernize its energy infrastructure.

What does the Minister of infrastructure say about Niue's New Power Station?

The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, "The construction of this new power station is a vital piece of infrastructure for Niue's development and well-being. This achievement would not have been possible without the support of our regional partners."

What is Niue Power Corporation (NPC) funding?

This represents the culmination of years of work from Niue Power Corporation (NPC) staff, local and overseas contractors, and our development partners. Australia and New Zealand funding assistance in particular has been instrumental in the procurement of new generators, transformers, switchboard and construction of a new building to house these.

How did New Zealand support Niue's battery energy storage system?

In addition to Australia's support, the New Zealand Government contributed \$2.5 million to relocate and restore Niue's Battery Energy Storage System (BESS). This funding has allowed the Ministry to repair the grid control system, procure necessary fuel tanks, and install cabling and connections.

The NPC reticulation team are proactively replacing transformers and cables wherever possible, however with over 100km of ...
