Discover the investment climate for solar manufacturing in Armenia. This guide covers market demand, FDI trends, and government incentives for the Armenia solar sector.

We are proud to have contributed to this milestone initiative, supporting Armenia's journey toward clean and efficient energy solutions. Watch the video to explore how Huawei's ...

OverviewPhotovoltaicsPotentialThermal solarSee alsoExternal linksAs of April 2019 ten 1 MW strong solar stations are installed. Solar and wind stations account for less than 1% of total installed electricity generation capacities. In April 2019 it was announced that German company Das Enteria Solarkraftwerk will build a 2 MW strong solar station near Shorzha at lake Sevan by end of 2020.
