Welcome to our technical resource page for Kinshasa solar Glass Project! Here, we provide comprehensive information about energy storage systems, solar containers, battery cabinets, ...

The project involves the construction of a 600 MW solar plant dubbed as "Kinshasa Solar City- Phase 1" in Menkao, a rural district of the Maluku commune, 74 km from Kinshasa, DR Congo.

For families in Kinshasa, a Solar Energy Storage System is no longer a luxury--it's a tool for stability, productivity, and peace of mind. By harnessing the sun, you take control of your ...
