North Macedonia, which has been attracting investments in battery factories, is in talks on a project worth up to EUR 360 million, according to Prime Minister Hristijan Mickoski.

The Nitty-Gritty: What's in the Tech Toolbox? This ain't your grandpa's lead-acid battery farm. Skopje's setup reads like a storage tech wishlist:

The 2.6 MW BESS projects are just the start of battery storage in the country with YESS Power, a Turkey-based contractor, planning to ...

This guide explores cutting-edge storage technologies, local applications, and how solutions like lithium-ion batteries are reshaping the country's energy landscape.
