---

London, city, capital of the United Kingdom. It is among the oldest of the world's great cities--its history spanning nearly two millennia--and one of the most cosmopolitan.

Its wider metropolitan area is the largest in Western Europe, with a population of 15.1 million. [4] London stands on the River Thames in southeast England, at the head of a 50-mile (80 km) ...

London's a sprawling city at the center of everything: art, history, culture--you name it. But what sets it apart from other major hubs are its distinct neighborhoods, each with their own vibe.

Planning a trip to London? Explore the official tourism guide to London & discover the best things to do, attractions, events and why we love London.
