How much does a 40 foot shipping container cost?

Starting at \$4,350 or Purchase for as low as \$197.73/month. Our 40-foot shipping containers are tough, sturdy, wind and watertight, and designed to keep contents safe and dry. Their size and availability make them the most cost-effective size, offering the lowest cost per square foot. Finding comparable storage space at this price is hard to find.

What is a 40ft shipping container?

Built with high-quality steel, this weather-resistant 40ft shipping container ensures protection against harsh elements, making it perfect for on-site storage needs. Whether you're looking to store heavy machinery, seasonal inventory, or personal belongings, our 40ft Shipping Containers provides ample space and reliability.

How many cubic feet can a 40ft container hold?

For maximum capacity, 40ft containers deliver 2,720 cubic feet of storage. Built from heavy-duty steel with weatherproof design, they're perfect for bulk inventory, equipment, farm storage, and long-term projects across the North Country, Western NY, and Central NY. These large containers are a smart, flexible storage solution.

Are our used 40ft shipping containers wind and water-tight?

Keep in mind that all our used 40ft shipping containers meet ISO standards and are guaranteed to be wind and water-tight despite them being used. The quality of our containers is of utmost importance to us at Eveon Containers and we take great pride in ensuring we meet universal quality standards and therefore keep our customers fully satisfied.
