Globeleq, Source Energia and Electricidade de Mo&#231;ambique (EDM) have started construction on the first IPP in Mozambique to integrate utility-scale energy storage with a solar PV plant.

The optimised scenarios show that investments in solar and wind power, together with flexible gas engines and energy storage, offer the most cost-effective path to expand Mozambique's power ...

The Ministry of Mineral Resources and Energy of Mozambique has received funds for a tender programme to procure a decentralised utility solar photovoltaic (PV) plus battery energy ...

Our solar power plant in Cuamba was inaugurated in September of 2023. It marked another milestone for Globeleq and Mozambique, as it was the first IPP to integrate a utility ...
