Emerging markets in Africa and Latin America are adopting mobile container solutions for rapid electrification, with typical payback periods of 3-5 years. Major projects now deploy clusters of ...

As 2025 begins, Myanmar enters its fourth year of intensifying conflict, with little sign of respite ahead. A staggering 19.9 million people--approximately 35 per cent of the country"s total ...

Due to its high foldability, the folding container house can be quickly unfolded and retracted, and it usually only takes a few minutes to ten minutes to complete the basic installation.

Currently, we are actively seeking cooperation with the Myanmar government, international relief organizations (Red Cross, UNHCR), construction contractors, and ...
