Norway, officially the Kingdom of Norway, is a Nordic country located on the Scandinavian Peninsula in Northern Europe. The remote Arctic island of Jan Mayen and the archipelago of ...

A new study reveals the country's buildings could generate vast amounts of solar power--enough to transform its energy landscape. But the national grid may not be ready for ...

Go beyond the famous fjords on a Norway cruise. Midnight sun sailings, northern lights cruises and coastal ferry voyages are all great options in 2026.

Norway is a sovereign constitutional monarchy, located principally in the western part of Scandinavia in Northern Europe. [1] The country has land borders with Sweden, Finland, and ...
