Your choices (get off work, finish work, leave work) will all work fine finishing the question about a normal working day. I don't see much difference in formality, if any.

Fill out the form for a complimentary solar quote that includes a custom satellite layout, system design and a breakdown of total project cost and estimated savings.

Below is an exploration of solar container price ranges, showing how configuration choices capacity, battery size, folding mechanism, and smart controls drive costs.

I am confused about the way to express the time that you are not required to work. Is there any differences in the use of the expressions "day off"; and "day leave"? Thanks in ...
