---

Enter the Paris Grid Energy Storage Power Station, essentially becoming the city's oversized charging cable for renewable energy. Think of it as a giant battery wearing a beret!

We Energies announced on Tuesday that the Paris Solar-Battery Park in Kenosha County has started serving customers on the energy grid. While the 200-megawatt solar ...

Wisconsin's first large-scale energy storage project, the Paris Solar-Battery Park in Kenosha County, is now providing power to the grid. It's comprised of around 12,000 lithium ...

The 110-MW BESS portion of the Paris Solar-Battery Park entered commercial operations this month, six months after the 200-MW solar farm built next door. The Paris Solar ...
