What is a solar power purchase agreement (PPA)?

A solar power purchase agreement (PPA) is a financial contract in which a third-party developer owns, operates, and maintains the photovoltaic system, and a customer agrees to purchase the system's electric output from the solar services provider for an agreed-upon price and for a predetermined period.

What is the contracts and Procurement transparency portal?

Welcome to the Contracts and Procurement Transparency Portal. The Contracts and Procurement Transparency Portal was created by the Office of Contracting and Procurement (OCP), under the leadership of Mayor Muriel Bowser, as a public clearinghouse for all information related to the District Government's contracting and procurement efforts.

What is a PPA for new energy storage resources?

Some PPAs for new energy storage resources have been structured as capacity-only contracts in which the developer is responsible for the sale of energy and all costs associated therewith--including the costs of the required energy procured from the utility.
