A hand-picked selection of the very best power banks available for smartphones in 2025, backed up by rigorous benchmark testing.

Our power bank picks allow you to pack hours of extra battery life in a pocket or purse to charge a phone, tablet, or other small electronic device.

Here are the ones we recommend you keep in your bag. We tested these power banks by living and working with them, using them to top off our gear before, during, and after ...

November 18, 2025: With this update, our lineup of recommended portable chargers and power banks remains unchanged. The existing picks have been vetted for currency and availability.
