Port Moresby, Papua New Guinea PNG Power with the support of IFC, a member of the World Bank Group, and donors Australia and New Zealand, has officially launched the first ever ...

Port Moresby's unique energy challenges--rising fuel prices, frequent power outages, and limited grid infrastructure in some areas--require innovative, reliable solutions.

Learn how we stabilised solar power in Port Moresby with AVR-30 regulators, ensuring reliable energy for businesses and homes despite grid fluctuations.

For mining operations and industrial users in PNG, the project's success highlights how containerized energy storage systems can provide reliable backup power.
