New York's first state-owned utility-scale battery energy storage system, the Northern New York Energy Storage Project, is now operating in Franklin County, Gov. Kathy ...

New York Gov. Kathy Hochul on Aug. 25 announced that New York's first state-owned utility-scale battery energy storage project is now operating in Franklin County, N.Y. ...

Governor Kathy Hochul today announced that New York's first state-owned utility-scale battery energy storage project is now operating in the North Country's Franklin County.

When New York City's largest battery storage installation is complete, it will be able to power more than 10,000 households during peak demand periods. It will also be the ...
